Our team is growing! Mark Twain Behavioral Health is excited to announce an expansion of services as Turning Point Recovery Centers will be joining our team effective July 1, 2021.

Mark Twain Behavioral Health (MTBH) is a private, not-for-profit, Certified Community Behavioral Health Organization (CCBHO) serving the citizens of northeast Missouri since 1975. With our mission to enhance the overall health and wellbeing of those we serve, MTBH offers a wide range of behavioral health services for youth, adults, couples, and families. Service locations are currently located in Hannibal, Kirksville, and Macon.

Turning Point Recovery Centers (TPRC) was established in 1971 as Hannibal Council on Alcohol and Drug Abuse (HCADA). As a not-for-profit, TPRC was established with the mission to aid in the treatment and prevention of substance use disorders and addiction. Service locations are currently available in Bowling Green, Canton, Hannibal, Mexico and Moberly.

We are excited about the July 1st addition of Turning Point Recovery Centers to the Mark Twain Behavioral Health team, as this will broaden our array of services offered to the communities we serve.
